Dear President QIU Yong:

On behalf of Heidelberg University, I am delighted to congratulate Tsinghua University on its 110th anniversary, and thank you so much for inviting me to the celebrations. I feel deeply honored and privileged to be invited as a guest speaker at the Global Forum of University Presidents. Unfortunately, I have other engagements at the same time and won't be able to attend the event. I am sure it will be a huge success and hope we will meet soon in other occasions.

Heidelberg University is proud to be cooperating with Tsinghua University. Since our partnership from 2005 our students and staff are able to benefit from the mutual exchange in education, research and cultural experience. Together, we have created inspiring moments and achieved memorable milestones. We believe we will keep broadening and deepening our partnership by collaborative innovation for the years to come.

Sincerely Yours,

Marc-Philippe Weller
