President QIU Yong
Tsinghua University

Dear President QIU Yong,

Thank you for your kind note, and please allow me to extend my warmest congratulations on this milestone. William & Mary is grateful for our cherished partnership with Tsinghua University.

We are honored by your invitation to share in this important commemorative year. I trust that the Global Forum will be a richly invigorating event, and greatly regret that my schedule prevents me from participating. I have asked my staff to submit a special letter of congratulations on behalf of William & Mary for inclusion in your commemoration materials.

You have my very best wishes as you prepare for this celebration, and I look forward to continued collaboration between our universities in the years and decades ahead.

Sincerely,

A handwritten signature in black ink that reads "KARowe".
