Prof. Qiu Yong
President
Tsinghua University

Dear President Qiu:

Greetings from Ewha Womans University.

Our heartfelt congratulations on the 110th Anniversary of Tsinghua University. As a leading university in China and the world, I wish that Tsinghua University will continue to be successful in your research, education and global outreach.

Ewha Womans University has been very proud to have established a partnership with Tsinghua University since 1997. Over the years, the partnership has grown stronger and students from Ewha and Tsinghua have enjoyed our universities' programs through university-wide student exchange agreements. I hope we will be able to further develop our partnership with Tsinghua University to enhance academic partnership for the future including faculty exchanges and research collaboration.

Congratulations and thank you very much.

Sincerely,

A handwritten signature in black ink, appearing to read "Eun Mee Kim".
