March 31, 2021

Dear President Qiu Yong,

On behalf of POSTECH, it is my honor to extend my heartfelt congratulations to you and all members of Tsinghua University.

I deeply respect the effort and commitment to education and research that Tsinghua University has shown over a century, and for cultivating outstanding leaders who are making remarkable contribution to the world beyond Asia.

Tsinghua University and POSTECH have been valuable partners in many ways, collaborating in research and student exchange over two decades since 2001. We have strengthened our relationship by establishing AEARU together as founding members. Likewise, I feel proud of our continuous joint research and academic exchange that lead to the advancement of our society.

I believe our two institutions can seek for more exchange opportunities and mutual cooperation to overcome global issues like the one we currently face with the spirit of together.

Once again, congratulations on this 110th anniversary and I look forward to many more years of friendship with Tsinghua University.

Sincerely yours,

Moo Hwan Kim  
President  
POSTECH
