Prof. QIU Yong
President
Tsinghua University

Dear President Qiu,

On behalf of the Institute for Advanced Study, it is my great pleasure to congratulate Tsinghua University on its 110th anniversary. It will be an honor to accept your kind invitation to participate in—albeit online rather than in person—the Global Forum of University Presidents that is being held in celebration of this momentous occasion.

I would like to take this opportunity to acknowledge and applaud Tsinghua University's prodigious achievements as a global leader in higher education, working independently and in partnership with universities the world over to advance knowledge and build a better future for humankind.

The Institute for Advanced Study prizes its longstanding friendship and collaboration with Tsinghua. We look forward to continuing to work together in supporting scholars of great promise and enabling them to pursue the ideas that spark breakthroughs, drive discovery, and help to improve our world.

From the Institute for Advanced Study, and from me personally, please accept heartfelt congratulations on a most distinguished history and very best wishes for continued success going forward.

With my warmest regards,

Robbert Dijkgraaf
