President QIU Yong
Tsinghua University
Beijing, China

Dear President QIU Yong,

I am honored to send you my warmest congratulations on the occasion of the 110th anniversary of Tsinghua University on behalf of the entire community of the Alma Mater.

To the University of Bologna, Tsinghua University represents one of the most strategic academic partners, especially in the fields of joint research as well as curricula, and exchange of faculty members and students. Indeed, our institutions have recently officialized their partnership with a memorandum of understanding, which marks our cooperation and willingness of working together for the years to come.

I think this strategic partnership will be our point of departure for reflecting upon the many challenges that we are currently facing and those which lay ahead. Indeed, I believe that there is a collective need for us to ponder together and to be commonly engaged in the international discourse, as actions that come from joint efforts are the only way for dealing with current global issues.

Best regards to you and your colleagues.

Sincerely yours,

Francesco Ubertini
